SAFETY

Dennis Dicki explained that the speed limit on East Shore cannot be changed due to state law. Radar will continue to be continued in this area. The cross roads of East Shore, Owaissa, and Nepahwin will be made into a six way stop sign area for safety concerns and it should also help with the control of the speed limit. This will be completed with signs as soon as the weather breaks. The new police cruiser is at the dealership in Solon waiting for equipment to be installed. We received a grant from Homeland Security to install a laptop computer into the cruiser that will be connected to the Lake County system.

SERVICE

Mike Stanton reported that Timberlake has been lucky to receive our shipments of salt as ordered. We have gone through 75 tons of salt already this season.

TOWN HALL

Ritu Sharma reported that rentals for February were slow but March already has 12 bookings. Still receiving quotes for the exit signs.

TREES & PARKS

Mary Trepal did research regarding sidewalks on Lake Shore Blvd. We are looking into a possible grant for this project. The feeling is that sidewalks would add to the safety of walkers and bicyclist.

The mayor asked for a motion to adjourn.
