Family Day Parade

Sun, Aug 2 @ 1pm

The Family Day picnic will NOT take place this year due to concerns with the COVID-19 pandemic. **However, we are still going to have a parade!!** Several modifications to our normal format will ensure that we all stay safe this summer and that more of the village will get to participate!

Anyone is able to participate in the parade as long as you are in a vehicle (no bikes this year). ***You must be in a car, boat, golf cart, or on a riding lawnmower.*** Please see page 3 for the parade route – we will be making our way through the entire village!

Summer Break

The Times will take our normal summer hiatus and will not be published in August; we will resume publication in September.

THANK YOU!

The playground now has a new coat of paint! During two weekends in June, 17 people contributed around 40 man hours to get this project completed. Thanks to Tyler & Jackie Orabone, Alex Coleman, Gary Warner, Nancy Marra, Kim Saba, Rick, Krista, & Samson Kanuch, Izzy Kim, Terri & Randy Ritchey, and Scouts BSA Troop 1919. Additional thanks to Mary Beth Germano for providing drop cloths and to Brent and Ken from service for coordinating paint and ladders.

Ron Mona donated mulch and flowers for the sign and beds near the entrance by Lakeline and also for the flagpole at the village hall; Maureen Munero-Smith assisted him with planting everything and maintains the beds throughout the year. Donna Piccardini also donated toward the flowers. The Kanuch family (Krista, Rick, & Samson) volunteered their time to spread mulch around the village hall sign. Thanks also to Cindy Hardwick for volunteering to help spread mulch as well.

In addition to all the work done around the village by our hard working service department, we've all come together to make our village look great this year! THANK YOU to everyone involved. If you're interested in helping, feel free to send the Village Club a message on FB or attend one of our meetings – we always need volunteers who can help in any capacity!

(Hang This On Your Fridge!!)

Dear Mayor, John Marra,

We continue to monitor the COVID-19 situation to make sure we're doing the right thing for the communities we serve. This includes working closely with public health experts and other advisors as well as adhering to CDC and OSHA guidance and following state governmental declarations of emergency and stay-at-home orders.

We are working hard to make sure our customers receive the highest quality customer service and that there are minimal service disruptions during this time, however the surge in residential curbside recycling and waste collections has presented unique challenges and caused us to temporarily modify our curbside collection services.

Over the last 30 days, we realigned and reprioritized our collection routes. This reprioritization resulted in the temporary suspension of bulk and yard waste in select markets to ensure that our teams could effectively handle that additional volume in waste and recycling.

We have been able to handle the significant volume increase, and today we announce that **effective** Monday April 27, we are reinstating **bulk and yard waste collection** services in your community. The following will provide your residents guidelines on how we will move forward with those services

- All items that are not carted will be required to be bagged and sealed
- Recycling must be contained in the cart
- We still may need to use alternative disposal methods if their disruptions to recycling processing capabilities or if recycling contamination continues to increase. It is important to keep waste out of your recycling container and Do not bag your recyclables
- Yard waste must be bagged in large brown bags (i.e. Home Depot/Lowes) or personal marked yard waste containers under 50 pounds
- Sticks bundled no longer than 4ft and 4 inches in diameter and no heavier than 50 pounds
- Bulk Furniture needs to be wrapped mattresses need to be placed in mattress bags
- Carpeting needs to be in strips at 8in diameter rolled up and no longer than 4ft
- We may see a surge of material initially that takes us a little longer to collect and clear than normal and if we

Navigating the uncertainty of the past month required flexibility of our partners, as well as courage of our frontline workers to continue to run your essential services without impact from the pandemic. We are very proud to live and work in the municipalities we serve and feel a commitment to do our part to help where possible. For this reason, I am pleased to inform you that last week, Republic Services launched our "committed to serve" initiative to honor our

frontline employees while also supporting our local small business customers to help keep our communities thriving.

The initiative includes weekly meals for our employees and their families, and bi-weekly gift cards to frontline employees for the next six to eight weeks. In Timberlake, we are encouraging our employees to use these gift cards, which are intended to take care of essential needs, at local, small businesses such as restaurants, pharmacies, grocery stores and retail outlets – keeping dollars in our communities.

We are proud to serve this community and hope this initiative helps provide support for local businesses. We are all in this together, especially during these unprecedented times.
