HOLIDAY LUMINARIES

This time honored tradition begins with your help as Timberlake lights up the Village on Christmas Eve. Over one thousand milk jugs filled with sand and a votive candle are displayed on the median of East Shore Blvd and on the public islands of the Village. When you place your own luminaries along your driveway and the edge of your lawn, you can help keep this holiday spirit alive! If you can volunteer to fill jugs, call Krista Kanuch at (440) 567-4853. Do you have extra milk jugs? Drop them at the service garage for us!

Meet us at the Service garage Dec. 21 at 10am to fill the jugs with sand.

The luminaires will be placed on the E Shore median and the public islands of the Village on Dec. 24 at 10am.

Instructions for making luminaries are as follows:

- Using a clear milk jug, cut a “U” shaped flap in one side of the container; discard cap.
- Put about 2” of sand in the bottom of the jug for weight.
- Place a candle in the sand. A 10 hour votive candles work best.
- Light with a small butane lighter.

Huge thank you to Cindy Hardwick who again has donated all the luminary candles in memory of her husband, Scott. We will light up the night in his memory.

Be a Recycling Super Star!

Recycling Simplified

When it comes to recycling, everyone has a part to play. Let's work together!

Know what to throw.
Make sure your recycling container only contains cardboard, paper, metal cans, plastic bottles and jugs.

Empty. Clean. Dry.
Keep recyclables free from food and liquid. A ketchupy ketchup bottle can contaminate a whole truck of recyclables!

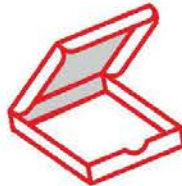

Don't bag it.
Plastic bags get tangled in the recycling machines. Dump your recyclables directly into your outdoor bin rather than containing them in a bag.

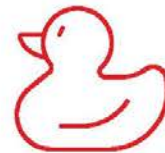

These items aren't recyclable

Food

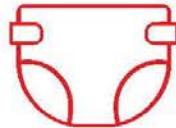

Dirty paper & cardboard

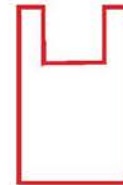

Toys

Clothes & shoes

Diapers

Plastic grocery & sandwich bags
