Many Thanks...

Thanks to the following businesses for their generous donation of prizes for the Family Day Picnic: VIP Salon, RTS Service Center, Trader Jack's, Master Pizza Eastlake, Rudy's Meats, Blue Sky Yoga, and CP's Cooler.

Village Club would like to thank all of the many new volunteers that helped make Family Day 2021 so special. Fearing we would miss a name or two, we would like to acknowledge each and every one of you and your contribution. It was so nice to see people help with the parade organization, three new cooks, new people leading children's games, selling raffle tickets and Timberlake gear, setting up and cleaning up afterwards and all the many other jobs that make a picnic great. Thank you.

- *The Village Club*

A big thank you to Jane Shaveyco and friends for making and decorating a float for me and naming me "Father Christmas" for the many years I have spent making Timberlake a special place during the Christmas season. Among the many things I have organized and participated in have been decorating the street signs and outside the Village Hall, filling jugs with sand and candles as well as decorating East Shore Blvd. with the luminaries and contacting people to "light up the islands" and arranging Santa visits in the past. I have thoroughly enjoyed these activities making Timberlake a special place in Lake County.

Mr. and Mrs. Timberlake

Mike and Joan Tangorra are this year's Mr. and Mrs. Timberlake. The committee couldn't have picked two more deserving residents.

Mike and Joan have lived in the Village 60 years. They moved from New York to be closer to family. In fact, Joan's Mother and Father lived across the street.

Joan was involved in the Women's Club and served on the Ways and Means committee. She helped secure funds for the playground and was a big reason why our early Summer Playground program was such a success.

Mike was a member of the Men's Club and was chosen as Man of the Year in 1982. You can thank Mike for donating all the labor needed for the cement when the Village Hall was built.

A big thank you to the Tangorra Family for helping to make our Village a special place to live.

Stanley Roediger Jr. suggested including procedure on unlocking and locking Village Hall. Informed residents a clip board is located on the wall in the kitchen about Village Hall rental procedures.

Public Comment and Questions (may be directed at the Mayor or Council members only, and is limited to 3 minutes per subject):

Linda Murphy ordinance for the trailers there was a vote by the public. Garbage cans under Mayor Stanton the work was already completed and was all voted on by Council. Police Chief how many Police Officer does the department have. Police Chief -we have 13 Officers and only 4 are getting paid (\$12.00). Part of our problem is because we are small village, they only come here to keep their commission.

Allen Peterson for 60 years we didn't have all the stop signs. Safety Director had them installed without Council approval was it legal for him to have them installed?

Elizabeth Laub at a party about three ago on a Saturday had 44 people came down to the beach. From her knowledge being on council you are not allow to have access to the beach when you are rental village hall or the pavilion. When renting the hall are you entitled to rent the beach?

Krista Kanuch stated her understanding the person renting the hall is a village resident and they have access to beach and up to 10 guest. Village Solicitor requested the Council and him work on getting clarification.

Gina Suppa-

There recently was a resident that was going to rent hall that was going to have over 100 people and a live band to the beach. This party was stop prior to happening. We do need restriction on the beach, we need to establish rules and maintain them. I didn't do all the work and be part of the lawsuit for it to be resident only beach. Nobody is policing the beach or looking at out for us residents. This is only thing we get out of this village.

Elizabeth Laub-

Indicated that there has been a group of 10 children over the past few days at the beach, including the day of the storm. These children are unattended and watch their mothers pick them up (10 AM- 7 PM) and they drive out the Village. I recommend this be address.

Nina Transky-

Suggest posting job on craigslist, Facebook or social media site.

Steve Pirosko-

Offer to fill the service position opening.

Mayor informed there is a complaint form on line about ordinances.

Debbie King what do people do if they do not have a computer to get a complaint form? Contact the Mayor.

Ken Raftery-

We paid the City of Eastlake a retainer every year for Fire and EMS contract so why do residents receive an invoice when using their EMS service. Council and Village Solicitor will look into.

Executive Session:

A motion was made by Stanley Roediger Jr. and seconded by Shannon Sharma to go into executive session with Village Solicitor to discuss employment issues with action being taken afterwards at 9:17 pm. All members of Council present voted yes.
