## Cornhole League Update

The response has been good so far as we already have 4 teams toward our goal of 8

teams. We have dialed back the length of the inaugural season a bit, from 11 weeks to 8 weeks starting the week after Memorial Day. Teams will play all other teams once with the 2 division winners playing a championship match in Week 8. This will still be followed by an all-league single-elimination tournament.

We are still looking for 4 teams so if you are interested send us an email at [tlaketimes@gmail.com](mailto:tlaketimes@gmail.com). If you cannot play every week but would like to serve as an alternate who can fill in occasionally, let us know that as well.

# Memories of Timberlake

My Dad built a house on Owaissa (the cherry red house) in the early 1950s and Jack and Dorrie raised 9 kids there. I was born and raised here and moved out in 1978. I always tell people that I'm not very adventurous. I only live about 12 houses from where I was born.

Timberlake was a great place to grow up. In the 60s there were houses being built, but still a lot of wooded lots. Everyone knew

their neighbors both next door and down the street and all around the Village. Each year the 4th of July Carnival started with a parade, rides on the old fire truck, children's games and then the carnival with booths and gambling, and finally the fireworks, set off by Men's Club, after a few. One year a huge storm came in the evening of the carnival and wiped the booths down, trees and wires were down all over the Village.

We had the beach in the summer, sledding at the playground in the winter. Raking leaves and burning them in the street in the fall. The CEI factory would let off pressure once in a while that was so loud you couldn't hear yourself think. The factory also let off a lot of ash and soot that we learned to live with. Thankfully, that is all gone.

**Department Reports:**

**a. Mayor:**

a. Couple of snowstorms we got through; truck broke down, but it is back up running. Fuel lines had to be fixed; thanks Jim Summers, and our service department for their help. Will wait to establish new committee assignments.

**b. Solicitor:**

a. We can go ahead and advertise the open council position. Mr. Konrad inquired about the President Pro Tempore position, and whether it can be left open for now; Mr. O’Leary indicated that we can wait. Council can advertise the open position; we do not need to rush into making a new choice.

**c. Council Members:**

**Cynthia Hardwick-** People are booking the Hall; very few weekends available during the summer. It is nice getting to know the people; has received positive feedback from renters.

**Ryan Konrad-** Somewhat of a busy month. Did complete a review of the sewers during the snowmelt; sewers handled the water pretty well. Did notice a couple broken sewer grates; noticed a hose going into one sewer. Has some items on the priority list to complete. Please contact Mr. Konrad if you have any areas of concern; will put on priority list. Fiscal Officer noted that Mayor did ask for a purchase order for sewer grates, and this has been issued.

**Nancy Marra-** Signed up for Ohio Municipal League refresher course; it is a full day course. She, Kevin Thompson, and Cindy Hardwick are planning to attend.

**Dr. Ritu Sharma-** She will take Grant Getting Ready webinar on March 24, and will contact Mr. Formica to look at grants available.

**Kevin Thompson-** Some issues to work out, during a work session or Tree Committee meeting, but nothing else to report at this time.

**d. Fiscal Officer:**

**Monthly Financials-** Mr. Roskos presented a monthly review of February expenses, revenue, as well as a Cash Flow Analysis for Fiscal Year 2022 based on the first two months

of spending, anticipated expenses, and a buffer of \$3,000 per month for incidentals, and repairs. Based on current spending patterns, the Village may have a \$10,000 surplus for the year; this does not include potential transfers of \$20,000 each to the Village Hall and Police Cruiser Capital Funds. If Council authorizes these transfers, the Village is looking at a potential \$30,000 deficit for the year.

**e. Police Chief:**

For the month of February, 2 911 calls, 1 administrative call, 2 house alarms, 1 animal complaint, 5 assists of the Fire Department, 2 Beach Checks, 1 Burglary, 30 Community Policing Events, 2 Disabled Vehicles, 172 House Checks, 1 call for information, 17 investigation calls, 1 noise complaint, 2 phone complaints, 1 parking violation, 1 traffic violation, 1 welfare check; there were a total of 242 events for the month.

OPOTA’S mandate for unpaid specials is 16 hours/month; our ordinance mandates 24 hours/month. Would like to address this; discussed circumstances that are making it difficult to keep specials on; would like the ability to make exceptions, or return to OPOTA standards. Has sent to law director, and Mayor to look into. Solicitor will prepare legislation for next meeting. This would prevent loss of current officer; April is soon enough.

**f. Zoning/Property Maintenance-** Only wrote 1 shed, and 1 remodel permit.

**8. Purchases & Approvals:**

a. February, 2022 Financial Reports- Dr. Sharma made a motion to approve the February, 2022 Financial Reports; Mr. Thompson seconded the motion. Roll call: all members present voted in favor.
