75th Anniversary With Fireworks

Timberlake will be celebrating its 75th Anniversary as a village in 2022. Village Club would like to make this a special occasion with fireworks at its annual Family Day Picnic on August 7, 2022. To do this, we need your help. The cost of fireworks has doubled since the last time we had them. We are asking you, as a resident to support this endeavor. Donations can be dropped off at long –time resident Ron Mona (4 East Shore Blvd., (440) 942-2887) or Julie Gjinplaku, Village Club treasurer (84 Shawondassee, (216) 235-6101). If you want your donation

for fireworks only, indicate it on your check and if we don't get enough funds to obtain the fireworks, your check will be refunded. Or if you are willing to contribute to the Village Club for the fireworks, picnic and the many social events (Easter egg hunt, paint night, fall festival, clam bake, beach cleanup, Christmas party) available to villagers, drop off your check or cash to the above people. Fundraising by the Village Club has been at a minimum due to the corona virus, so donations are greatly appreciated.

Just think, you can enjoy the picnic during the day, pick up your lawn chair or blanket, walk to the park and enjoy fireworks from our very own Timberlake beach.

Articles Needed for The Times

You may have noticed that the Timberlake Times has begun to shrink a bit. Last month we were down to four pages and half of that was the Council minutes.

This is your newsletter, Timberlake. It is seventy-five years old, as old as the Village itself. It is a publication that is for you and by you so we need to hear from you. Share a memory. Share a recipe. Write about what living here in the best kept secret in Lake County means to you.

All the contact information you need to submit your article is in the little box to the left so be thinking about what you would like to contribute to next month's Timberlake Times.

Thank you. And I'll be keeping an eye on the inbox.

Memories of Timberlake

Timberlake. I have lived here my whole life, and I have so many fond memories. My parents moved here in 1957 after my sister, Conleth, was born. My sisters Michele, Cheryl, and Sharon followed her and then I was born in 1961.

The Village was a very close-knit community, everyone knew everyone else. Nana, my maternal grandmother, lived right across from the Timberlake Village Hall. I thought that was so cool because we could park at her house when there was something going on there and we didn't have to look for a place to park.

The 4th of July celebration was always so memorable. There was the parade where all the kids had their bikes, wagons or floats decorated, the police car and fire truck whaling its sirens, and we got rides on the fire truck after

the parade. There were the booths the Men's Club built by hand for games and activities, fun was had by adults and children alike. Fireworks ended the celebration and were shot off from the beach at night.

The most memorable 4th of July occurred in 1969 when a horrific storm hit and came through so fast, shut everything down, and one of the many trees that fell that day, smashing the green police car/ambulance. For an eight-year-old at that time that was like, "Wow."

Memorial Day my parents would take us to the beach and cook breakfast for us on a small pump propane grill my dad had. Those were so much fun until the one day I fell into the water and got caught up in an under tow. I had to be taken home to change

into dry clothes. Luckily it was only a short distance away.

When I think of Timberlake I think of the trees that seem to keep us so much cooler in the summer than other places, the beach and being able to swim in the lake, the roads on which we can take safe scenic strolls, and the sense of community knowing your neighbors. In the winter we would go to the playground and go sledding down the snow covered hill.

My parents purchased their home from its original owner and at his death in 2020, my dad, Bill Crotser, had been the oldest living resident, having lived here for 63 years. I am glad I was able to purchase my dad's house and continue to live here. It is such a beautiful, small community and I love living here.

Condolences

To Lynn Benedett on the sudden passing of her husband John, on Feb. 18th. They have lived in the village for 5 years. Some of you may have met John when he walked their dog Jack around the village.

He was always ready with a warm greeting and contagious smile.

John was friendly, generous, and kind, and will be sadly missed.

This project would add about 10 parking spots; parking has been an issue according to the Chief. Likely would be regular parking spots, but might be able to add some Handicap spaces.

All members present voted in favor.

- k. Resolution No. 2022-24 (Rules Suspended)
A resolution authorizing the Mayor to solicit bids through CT Consultants for the repair or replacement of catch basins and manhole castings throughout the Village of Timberlake, Ohio and declaring an emergency.

Mr. Thompson made a motion to suspend the three reading rule; seconded the motion. All members present voted in favor of suspending the three reading rule. Mr. Konrad made a motion to approve Resolution No. 2022-24; Mr. Thompson seconded the motion.

According to Pete Formica, there are about 4-5 catch basins to adjust to grade, reconstruct; also need new castings. We will be getting quotes from several contractors; will provide a request for proposal and specifications to contractors. It will probably cost around \$300-\$500 for each catch basin repair; castings are usually priced by pound. Mr. Formica

also commented about the Grass Island project; there are requirements by ADA for number of handicap spots for each section of regular parking.

Roll call: all members present voted in favor.

1. **Ordinance No. 5-2022 (1st Reading)**
An ordinance addressing the provisions of Amended Substitute HB 172 concerning the right of municipalities to retain the regulations and prohibitions on the discharge, ignition, and exploding of fireworks that existed prior to the enactment of Amended Substitute HB 172 and declaring an emergency.

According to Mr. O’Leary, this would opt us out of the State Fireworks Bill (House Bill 172). The Village can either take no action, or opt out; Eastlake Fire Chief highly recommended that we opt out.

Ordinance No. 5-2022 was presented for First Reading.

- m. Motion to allow Council Members to appear via Zoom, or similar virtual platform, and be counted as present, and participate as if they are present as permitted by Substitute House Bill 51, of the 134th General Assembly; this authorization expires on July 1, 2022. Dr. Sharma made a motion to approve; Mrs. Marra seconded the motion.

Mr. O’Leary stated that this would be helpful to ensure a quorum at meetings, as well as being able to suspend the rules. Action is needed by Council to utilize. Dr. Sharma inquired whether you need to be in state; no, per Mr. O’Leary.

Roll call: all members

Department Reports:

- a. **Mayor:** Street sweeping by Lake County Stormwater Management will be May 3, 4, and July 7, 8; they asked if there other special days we would like sweeping, would like August 7. Mayor is asking for residents to clean up properties this year for 75th anniversary. Large accomplishment for a small village, as we have not been annexed by a larger community. Pertinent ordinances have been placed on website; we have had a very wet spring, many ruts; no one has been cleaning them up. Weather has also made it difficult. We are seeking help from residents to clean up. A reminder, there is no parking permitted on the street. Ruts also make it more difficult to mow, and causes damage to equipment. Trailer and RV ordinance is online. Any questions on Parcel A/Beach Gate, Zoning Fees, check the website, Gary Gray’s contact information is also there.

- b. **Solicitor:** Nothing new to report

c. **Council Members:**

Cynthia Hardwick- Thank you for your vote of confidence. Hall is getting booked up; people realize it is a great value. Many out of Timberlake people calling restricted to residents (but there are some houses for sale). Would also like to thank Steve Piroosko for keeping the Hall very clean.

Ryan Konrad- The Hall looks great. Ruts divert water away from catch basins, and cause additional flooding; also obstructs natural flow of water. He sent Mayor/ Council pictures of some problem sewer grates/catch basins; we are making some progress on long-over due problems. Taking care of the emergencies; hopefully can do some preventative maintenance. Did receive a complaint about Trailer/RV; in backyard of his house; can’t see it from the street, however, and there is no violation of Ordinance.. Thanks to Mrs. Hardwick for helping to find Ordinances/Resolutions. Can easily get via public records request, as well.

Nancy Marra- There is a complaint form online regarding RV/Trailer issues; she will go out and visit if there is an issue. There are now penalties associated with the Ordinance; if she visits, she will give them a copy of the Ordinance. Was approached by the Village Club; would like Council to help paying for the insurance rider for fireworks display; it is required according to Mr. O’Leary. Costs \$836. Mr. O’Leary would suggest Council discuss, or wait and see if they raise enough funds to cover the rider. It is not necessary to have the rider today; could wait until May. Ryan Konrad would like someone from Village Club to come to the meeting; Mrs. Marra will reach out to them. Mr. Konrad would like to make sure it is a definitive decision; fireworks would be down on the beach, and fire marshall has been involved in the discussion; opt-out would not prevent fireworks.

Dr. Ritu Sharma- She attended the Grant Getting Ready Webinar on April 24; much valuable information about funding opportunities. More grant fund available now than before, \$810 million available for Ohio Residents/ Cities/Village. Highlighted some upcoming opportunities; could we partner with the facilitator of event to pursue grants? Mayor will reach out to them.

Kevin Thompson- Nothing major; couple weeks ago there was a complaint about a large branch hanging near median by Village Hall; got a boom truck for ½ day to take care of a few issues in that area.; got three bids. Went with JK Tree Service.

d. Fiscal Officer:

Monthly Financials- General Fund- ending balance through March 31 is \$265,896.28, after accounting for committed or encumbered expenses. Month to date revenue was \$156,635.55 vs expenditures of \$47,470.23, a net difference of \$109,165.32; please note we received our First Half Real Estate Settlement, which was \$121,232.35 after tax collection fee costs, including our first half payment to the Lake County Health Department. There were no significant expenditures in our remaining funds (\$400 was paid out of our 9901 Hall Rental Security Deposit Refund FUND). Revenue through March 31, 2022 is up \$32,127.52 versus last year, primarily due to increased income, and property tax collection. Estimated end of year surplus based on current expenditure rates will be approximately \$25,000; again, this would not include transfers to the Village Hall, and Police Cruiser Capital Fund of \$20,000 each. With those transfers, the Village would be looking at a deficit of approximately \$15,000 for the year.

e. Police Chief:

For the month of March, 2 911 calls, 1 accident, 1 administrative call, 1 animal complaint, 4 assists of the Fire Department, 2 Beach Checks, 2 Civil issues, 32 Community Policing Events, 197 House Checks, 8 investigation calls, 2 lockouts, 2 noise complaints, 2 calls for information, 1 suspicious circumstances, 1 suspicious vehicle, 3 traffic stops, 1 trespassing complaint; there were a total of 262 events for the month.

f. Zoning/Property Maintenance

Mr. Gray indicated that five new driveways went in this month. Many calls about projects, but no other permits thus far.

Pete Formica- he just submitted a grant to NOACA (local NPO) on behalf of the Village; NOACA put out a list a couple weeks ago of all road projects on TIP list for future projects covering 2024-2027; nothing was on there for Timberlake. Wrote a nice e-mail, and asked Lake Shore Blvd sidewalk be added to list; current expected cost of \$350,000. Would ask NOACA for 80% of

money; also pursuing more opportunities for catch basin, sewer repairs, et cetera.

g. Purchases & Approvals:

March, 2022 Financial Reports- Mrs. Marra made a motion to approve the March, 2022 Financial Reports; Dr. Sharma seconded the motion. Roll call: all members present voted in favor. Mrs. Marra made a motion to approve the JK Tree Service invoice of \$1,500; Mr. Thompson seconded the motion. Roll call: all members voted in favor.

h. Public Comment and Questions (may be directed at the Mayor or Council members only, and is limited to 3 minutes per subject):

Debbie King- 43 East Shore Blvd; what are we doing about vacant house on Shawondassee (per Gary Gray, address is 4 or 5 Nokomis; contracts for purchase did not go through, water wasn't shut off, then house was flooded during winter, bank hired someone to clean-up per) Could we put a note in Timberlake times to raise \$836 for insurance rider? Do we currently have any detectives on police department? No, regular officers complete investigations according to Chief Scofield. Several people have called to complain about water department shutting off water; 2 different times, 1 week apart (there were 3 water main breaks on Keewaydin according to Gary Gray). LCDU does have right to shut off water, and dig, reflush lines, et cetera. Did we get a new air conditioning system? No- Mr. O'Leary indicated the Village Council passed a resolution to go out for rebid. We started with a contractor; the contract did not work out based on the stipulations we had.

i. Adjournment

Dr. Sharma made a motion to adjourn the meeting; Mr. Konrad seconded the motion. Roll call: all members voted in favor of adjourning. Meeting adjourned at 7:27 PM.

Called by: Mayor Marra Posted

Next regular meeting is Tuesday, May 17, 2022 at 6:30 PM.

Fiscal Officer, John H. Roskos Mayor, John Marra
